ILLUMINATING ENGINEERING

THE JOURNAL OF THE ILLUMINATING ENGINEERING SOCIETY

IN TWO SECTIONS—SECTION II OF THE JANUARY 1953 ISSUE

Annual Indexes

VOLUME XLVII

January-December 1952

Part 1—Subject Index

Part 2—Telecast Subject Index

Part 3—Personnel Index

Illuminating Engineering Society

I.E.S. Indexes

These indexes cover the text of the twelve issues of ILLUMINATING ENGINEERING for the calendar year of 1952.

1. Subject Index.

(a) Index by title and subject of all papers, discussion, data sheets, reports and general articles.

(b) Author index.

2. Telecast—Lighting News of Current Interest.

Subject index.

3. Personnel.

(a) Personnel listing of 1951-1952 and 1952-1953 national and local officers, committees, official representatives to other organizations, local representatives. The 1952-1953 listing is complete as of November 15, 1952. For later appointments, see Index to 1953 or committee listings in ILLUMINATING ENGINEERING.
